Community Device Repair Lab - Intake

Reference: FIX-681 | Fictional autumn 2026 pilot

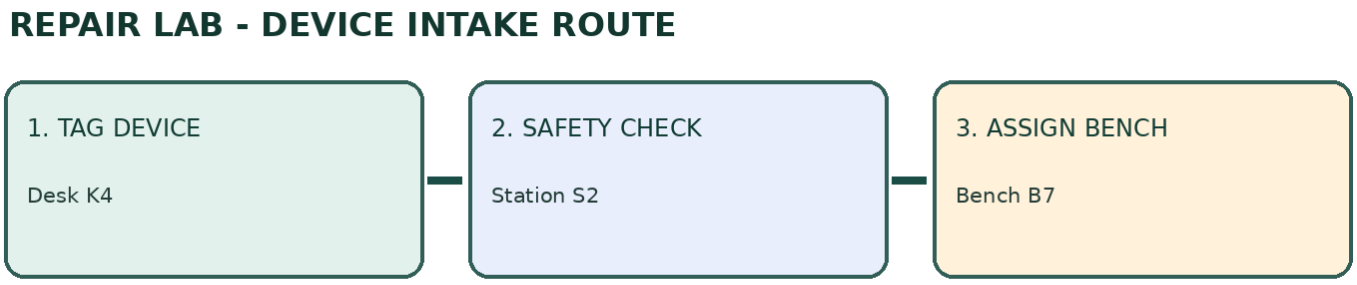

TEXT SECTION 1

The fictional Harbor Point campus repair lab accepts small electronics for free diagnosis.
Intake runs on Mondays and Wednesdays, 10:00 AM to 2:00 PM, at Room HP-214.
Visitors receive ticket FIX-681 after submitting a device description and campus ID.
The intake coordinator is Morgan Ellis; diagnostic results arrive within 5 business days.

NATIVE PDF TABLE 1

Device category	Daily intake limit	Lead technician
Laptop	9 devices	Samira Cole
Tablet	6 devices	Noah Reed
Headphones	12 devices	Lena Park
